End of January 2012 Newsletter

Jan 12 Newsletter

Holy Smoke it is 2012!! It is hard to believe that January is almost gone and we find ourselves off and running. At the last club meeting I discussed the progress on the music van and I'm happy to let you know that is going to be a great addition to our reputation of supporting our charities. I'm confident it is going to be talked about far and wide. We are working on scheduling some work days once the window gets in which will give us room to work around each other. Donations from club members in the form of cash and parts have really helped this project along and we are well within budget. We do have some dirty work to do, like checking the electrical lines going to the generator, giving the generator a good tune up and the same for the motor in the van. If you have expertise in any of these areas please let me know so I can get you down there to work on those things. I hesitate to put any pictures of the van in the newsletter as I would love to have an unveiling of it at the appropriate time. We still plan to sell ads on one side of the van so I'm working on that idea.

As we jump into 2012 I look forward to your great ideas, planning for our cruise-ins and the shows we are going to put on. Before you know it we will be hitting the parking lots. Jimmy Stewart challenged the club to purchase "Wreaths Across America" for our vets this year. We voted to take on the challenge which will result in a great fund raiser for the club.

I want to thank everyone for their thoughts and prayers over the past few weeks. The unexpected passing of my stepmother was a real eye opener. With that thought in mind, I ask that you all take time tonight to call or give your loved ones a hug. Our time on this earth can be short so we must enjoy each moment we can.

Happy Motoring!

Don Vtipil

President

Events for 2012

On March the 15th through the 18th, our club will be taking a crew of people to the **First Flight Cruisers** Car show in Nags Head N.C. This has been a great show for the past 3 years with a kick off party on Thursday, Friday Night Cruise in, and Show on Saturday. This club puts out great strides to put on a good show.

If you are interested in going let Danny know or anyone that is going so you can get the info. Pre-registration needs do be done by March 1st.

On the same weekend as the Shamrock show in North Carolina, the **PEE DEE Street Rodder's** will be putting on the **Cruise to the Sun** car show in Myrtle Beach South Carolina. The Flyers for this Event can be found on the Car Club Council Site or the PEE DEE Street Rodder's website.

Please don't forget our next meeting on February 9th at the Firehouse.

Articles

There are a few projects going on this winter with Danny and Debbie working on the mustang, and Don Vtipil is still working on the impala. Tommy Thompson has a **BIG** project going on in his shop. Ron Rakes has a pick up truck being built, Billy Ruble always has something going on. Let's not forget Frank Young has something rumbling in his shop. Dennis Franks, I'm sure has something being cut and burned as usual. Bob Jones has a couple of things being built and Tom and Joann are freshening up her mustang. There are always things being done in the winter. This is great, so let's be safe and remember. **IT IS NOT WORTH LOOSING A FINGER OR HAND OR TOES, BE SAFE IN WHAT YOU ARE WORKING ON.**

The time is fast approaching where we will be asking for committees and help with projects. We always have good help for these things. Please remember that it is easy to set back and look at what goes on in the club. It will make you feel a whole lot better if you were to give a helping hand in the things we do. **PLEASE HELP WITH THE COMMITTEES AND PROJECTS.**

Our club will probably take at least one trip this year. The invitation is always open for everyone or anyone to join in the fun. Please keep an ear open as these plans will come through out the year.

If you have replaced your car or need to update your website photo, please let Danny know. You can e-mail him a picture at dananddebbie@comcast.net and he will get it posted.

If you have a change in you roster status, Please let Bob Jones know about it as soon as possible.

The Newsletter will be printed in black and white ink to save money. Also I will mail (or email) the newsletters out after the 1st of the month.

MORE EVENTS

Don't forget about our cruise ins which will start in April. We are getting revved up for this spring and summer. Come on out and be part of the Action!

The Asphalt Angles will have their 50th Annual Rods and Customs Car show. The show will be at the Showplace on February 10 thru the 12th. For more information go to the Car club council or go to www.asphaltangels.net

INVITATIONS**In our Thoughts**

Wayne Reed had his surgery on Jan 10th. He is doing as well as expected. He is still very soar but is on the way to recovery. Jackie says that she will get him on his feet very soon.

Don and Debby Vtipil has had a rough go of it lately. The Vtipils have lost some very significant love-ones recently. Hopefully things will turn for the better very soon.

Sherry and Al Harris' (our webmaster) son, Matt had his knee surgery over the Christmas Holiday. He is back at school now. Hope all will be fine with him and his recovery.

Let's keep all of these people in your thoughts and prayers. And let's hope for speedy recoveries!

If you have any announcements for the newsletter or if you go to an event or show, please take pictures and send articles and photo to Danny Herald. They can be put on the website and in the newsletter. It will be a great help! It is your club! Let's keep it active.

The new officers for 2012 took office on January 1st.
