God Bless you Wayne Balch

On March 10th the Classic Car Club industry lost a very great and valuable person with the passing of Wayne Balch.

Wayne worked with several car clubs until he helped organize the Southern Knights. Wayne was instrumental in starting and maintaining the MDA car show which moved from location to location until it settled at Richard Bland College. He worked with the Adopt-A-Cop foundation as well as The Make -A- Wish Foundation. He helped out with many cruise ins throughout the area and was well respected by everyone that he had contact with.

Wayne was a very big man when it came to the car club industry and working for kids charities. Wayne has always been an inspiration and mentor to the car club community. There will always be an open void where Wayne should be.

God Bless you Wayne Balch as we know you will be looking down upon us from above. You will be sincerely missed.
